

## **Public Safety Department**

### **May 25, 2016 City Council Staff Report**

#### **POLICE**

On June 10<sup>th</sup> we will be holding our annual fundraiser for members in the community... This year it will be held in Santa Clara at Gubler Park. This year the money raised will go to help those with a traumatic brain injury, one of those receiving part of the funds will be Brittan Shipp. We will be holding a Kick Ball tournament (Kick Ball with a Cop).

We are excited to have Officer Hope O'Bray full time with us. She has finished her emergency vehicle operations training and has successfully completed her field training as well.

As of May 23, 2016 the Santa Clara – Ivins Police Department has had:

Traffic Stops:	292
Citations issued:	117
Arrests:	61
Calls for service:	250

#### **EMS**

Total calls – 48  
Medical – 21  
Trauma – 15  
Neither Medical or Trauma - 12  
Ivins City calls – 26  
Santa Clara City calls – 12  
Outside area calls - 1  
Total transports – 23  
Cancelled or refused – 13  
Calls to VA Hospital –4  
Medic 121 calls – 47  
Medic 122 calls –1

As far as M-121 and M-122 call numbers go, I don't believe those numbers are correct. This is a training issue I will bring up in training.

Special Events in May:

Iron Man race on the 7<sup>th</sup> went smooth as far as medical was concerned. EMS week was on the 15<sup>th</sup> thru the 21<sup>st</sup>. We had a dinner and awards ceremony on the 17<sup>th</sup> which was successful. Recognized those with 5 years of service or more in EMS. We had 15 five year employees, 15 ten years, 4 fifteen years, 2 twenty years, 1 twenty-five years, and 2 thirty year pins with certificates that were handed out.

## **FIRE**

**Trainings-**The first of our weekly trainings for May consisted of a demonstration of a Thermal Image Camera. Several hands on stations were set up to demonstrate the use of a Thermal Image Camera. Uses could be for search and rescue operations in a smoke filled environment. It is also used for locating hot spots and temperature changes inside hidden spaces such as walls and ceilings. It is very useful in overhaul operations when the main fire is out to extinguish hidden fires and heat. This camera could be a useful tool for Ivins Fire Department.

Our second training was geared toward wildland response for the upcoming season. Crews were instructed on building a fire line and watch-out situations. Crews were also instructed on how to operate the pumps and how to get water from the two main Brush Trucks B121 and B122.

Our third training will be held on the 26<sup>th</sup> and is an Equipment and Maintenance night when the vehicles and equipment are maintained, run, and checked for service.

Volunteer participated in specialized training in Cedar City on vehicle extrication. Two days were spent learning fundamentals of vehicle extrication techniques.

**Events-**The Ladder Truck was requested for Vista Schools outdoor activity day.
